### Il Leo Superiore Chianti

*Il Leo Chianti Superiore is produced by grapes selected in low yield vineyards located in the Chianti area. No more than 7 tons of grapes per hectare are cultivated in these vineyards. Such a yield is even lower than the one produced in most Chianti Classico vineyards.*

18 Wines, singled out by our wine team, for you to choose from. Be a part of a wine club that puts you back in the driver's seat. No membership required. No pre-packaged selections made for you.

At \$9.99 each or 6 for \$50, mix and match, the Wine Club is a great way to try new wines and/or stock up on your favorite house wines at an affordable price.
